

Fundraising Committee

- Usually two fundraisers a year- fall and spring
- During planning and execution, hours may be 5-10 hours per week depending on the size of the committee
- The committee should include a chair and several members
- Choose fundraisers with Board
- Distribute materials
- Promote participation
- Organize delivery of product
- Make it fun!

- Fundraising is the lifeblood of the work that the PTO does
- Without fundraising, we can't support the programs and activities that the school currently enjoys
- If you are detail oriented and want a short term project, this would be right for you
- Tip: Get your year plan ready before the school year starts
- Don't forget to communicate with the office staff
